**2008 PFIZER/AAFP Foundation Visiting Professorship
Program in Family Medicine Award Recipient**

Swedish Medical Center – Seattle, Washington

**Visiting Professor: John Saultz, MD, of Oregon Health & Science University
School of Medicine**

Summary of Program:

This visiting professorship will focus on the development of a strategic plan and will include the principles noted in the Future of Family Medicine (FOFM). The residents will be exposed to the FOFM and innovations in the field of Family Medicine. The program has undergone changes over the past few years and seeks to strategize for the future. John Saultz, MD, a nationally known leader, was involved in the Future of Family Medicine project. The residency will continue to utilize Dr. Saultz as a consultant after the professorship ends. The agenda includes rounding with residents, didactics with the residents and faculty, Grand Rounds, along with a strategic planning session.
