Family physicians,

by the very nature of their profession, make lasting impacts on the communities they serve.

When you give to the AAFP Foundation, you’re extending that impact—from your community to communities across the United States and even into communities around the globe.

We want to demonstrate to you how much of an impact your donations have. So, as you turn the pages, don’t forget that YOU make all of this possible.

Thank you for extending your impact to the AAFP Foundation.

All the best,

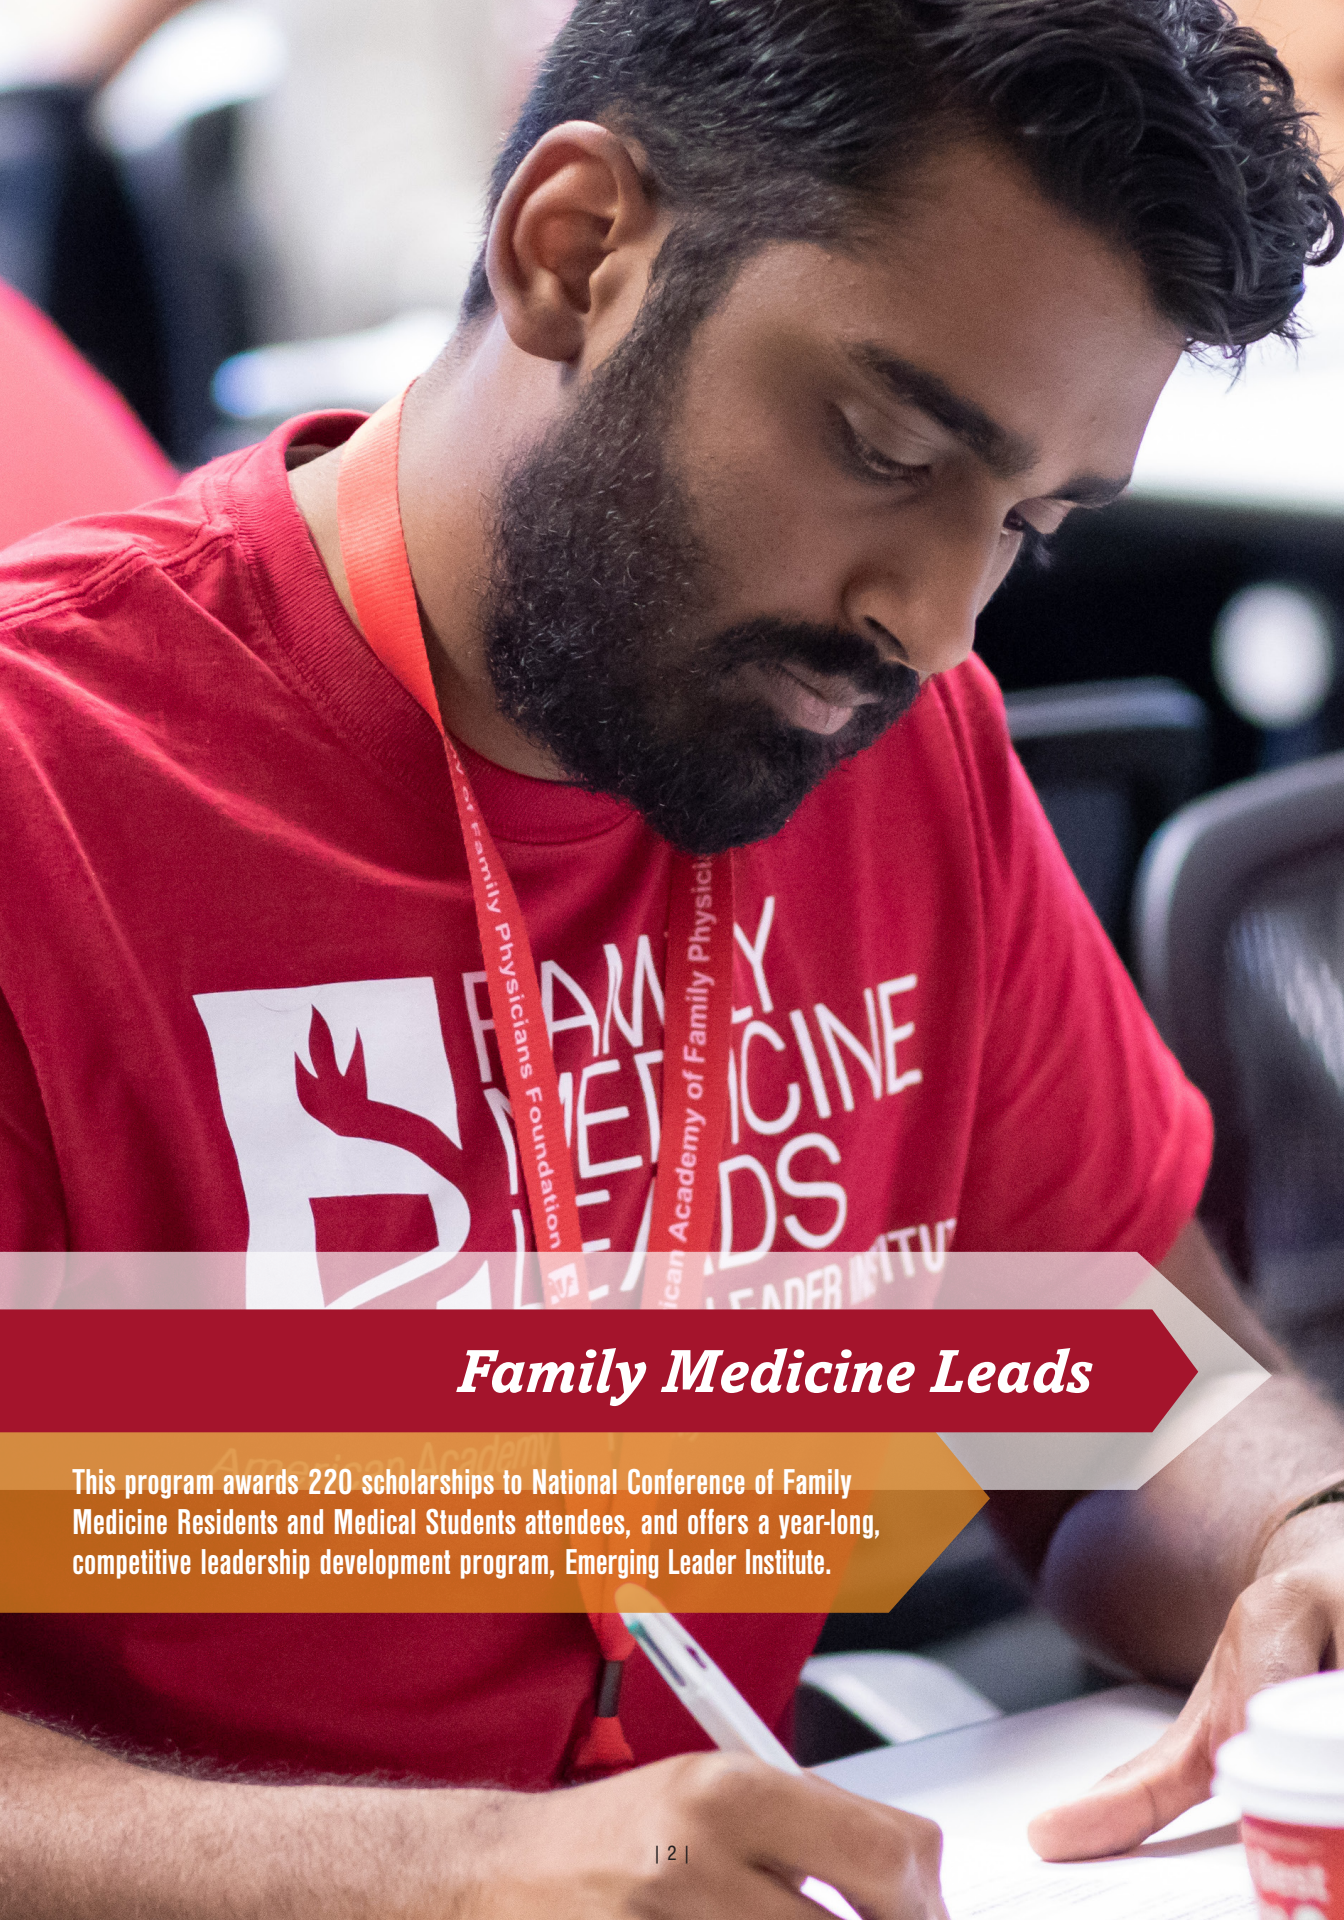

Douglas A. Spotts, MD, FAAFP, FCPP
President

Heather Palmer, MA, MBA
Executive Director

YOUR IMPACT TURNS A SCIENTIFIC VISION
INTO REALITY.

Research

Family Medicine Discovers Rapid Cycle Scientific Discovery and Innovation (RapSDI) is the newest program funded by the AAFP Foundation in collaboration with the AAFP National Research Network (AAFP NRN). RapSDI seeks to build research capacity for family medicine. The project funds practicing family physicians who will generate new evidence and innovative models for what works in real-world primary care settings.

Family Medicine Discovers

Created in 2018, *Family Medicine Discovers* provides opportunities for practice-based family medicine research.

A CHILD IN HAITI EXPERIENCES YOUR IMPACT
BY RECEIVING MUCH-NEEDED MEDICAL CARE.

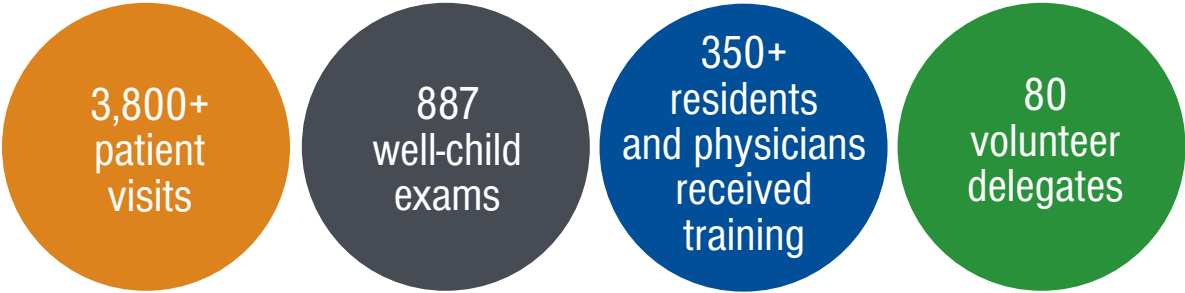

Humanitarian

“Traveling to Haiti with Family Medicine Cares International for the past three years has been one of the most rewarding and emotionally satisfying things I have ever done.”

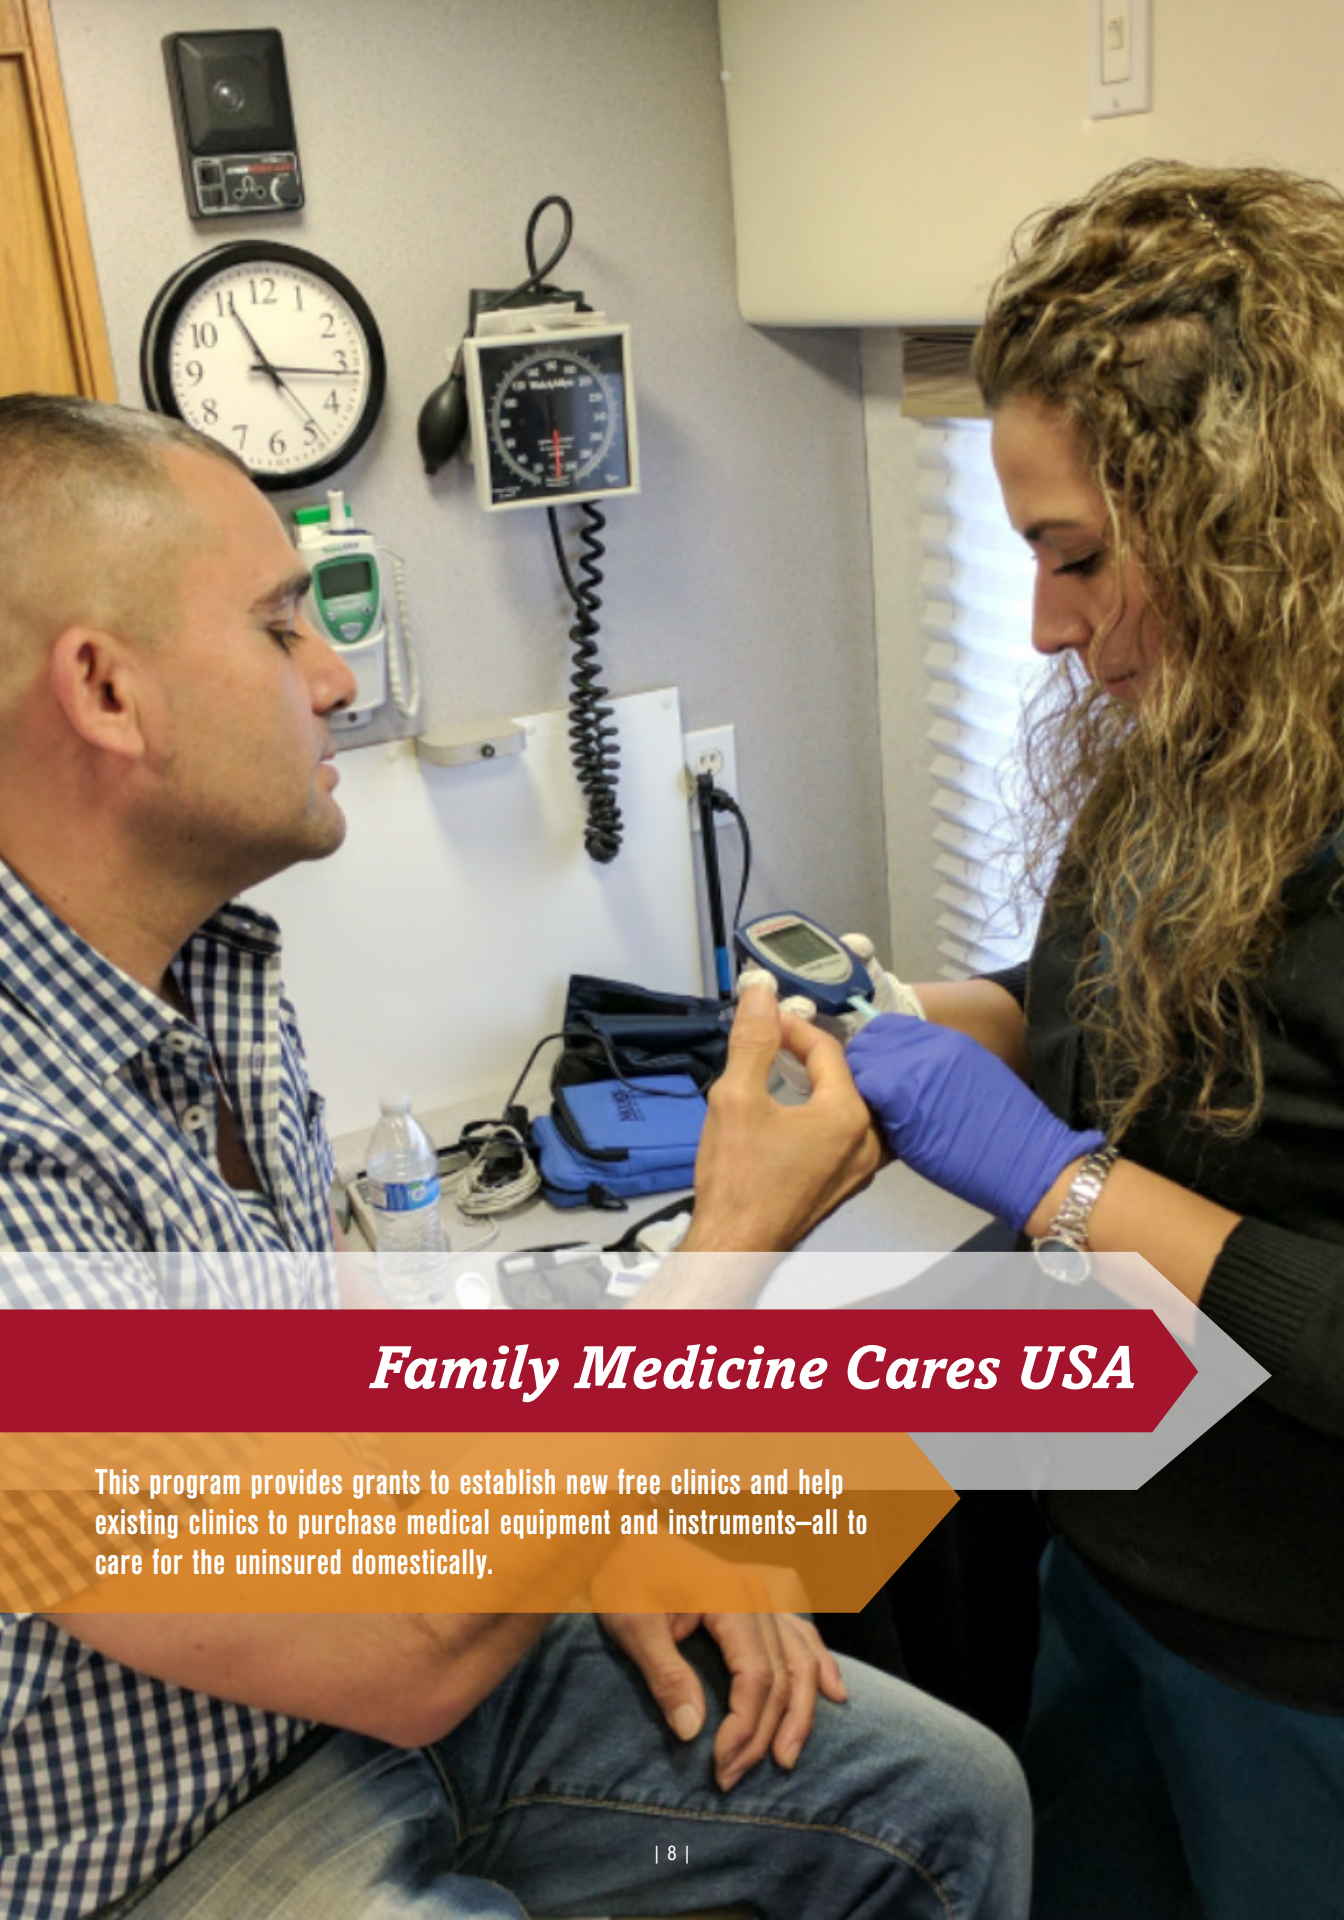

– 2018 FAMILY MEDICINE CARES INTERNATIONAL DELEGATE

Family Medicine Cares International

This program provides patient care, delivers education and training in family medicine, and works to improve the health and quality of life of people in Haiti.

Statistics derived from culmination of 2013-2018 delegations as part of the Family Medicine Cares International program.

YOUR IMPACT REACHES
UNDERSERVED COMMUNITIES.

Humanitarian

\$490,828

to 47 clinics in 23 states*

14 of **47** *Family Medicine Cares* grant recipient clinics are student run

Family Medicine Cares USA

*Since 2011.

Family Medicine Cares Resident Service Awards

YOUR IMPACT HELPS RESIDENTS BECOME
LEADERS BY ENHANCING CARE IN THEIR
COMMUNITY.

Each year, the program provides up to two \$16,500 awards to support 12-month service projects implemented by a first- or second-year resident that tackle the health needs of the underserved in their communities.

“The Resident Service Award provides an incredible opportunity to be part of a project that will hopefully have a lasting impact on a community level. I would recommend applying in a heartbeat to any resident with a project in mind that they are passionate about.”

— DR. CAITLIN LEE, 2016 FMC RSA RECIPIENT
